## Coming Events for Members of the Lean Construction Institute

The following are events and presentations that may be of interest to LCI members. If you have an event or presentation that you would like us to include in the next "LCI Update," please e-mail Cynthia Tsao at [ccytsao@leanconstruction.org](mailto:ccytsao@leanconstruction.org).

### Calendar of Events

Wednesday, Feb 25, 2009	<b>LCI Workshop – “The Set Based Path”</b> <b>LCI Cascadia Chapter, Seattle, WA</b> Learn from Stan Chui of HGA Architects and Engineers how using a set based path has improved design processes, for single and multiple project efficiency, by allowing several possible concepts to be developed further through design phases. This process has drastically reduced multiple cycles of test, detail, and rework and created a growing library of developed options for re-use. Details and registration are at <a href="http://setbasedpath.eventbrite.com">http://setbasedpath.eventbrite.com</a>

<p>Wednesday, Mar 11, 2009</p>	<p><b>LCI Lean Coordinator's Meeting – "Embracing Uncertainty"</b> <b>LCI Northern California Chapter, Fairfield, CA</b> Join us in the third of our 3 month series on lean organizational and leadership development with Bob DeKoch, President &amp; Chief Operating Officer of Boldt Construction, leading a firm that is a very early adopter of lean for projects and for their company's entire enterprise. Bob will add great depth to our leadership development discussing books like "Embracing Uncertainty" and will also give the group a peek under the tent on our second book, "Progress Makers" which will be published during this next year. All of this relates very closely to the leadership and culture needed to embrace Lean ideas. Details and registration at <a href="http://norcallcimar.eventbrite.com/">http://norcallcimar.eventbrite.com/</a></p>
<p>Wednesday, Mar 11, 2009</p>	<p><b>LCI Chapter Meeting – "Contracts for Integrated Project Delivery"</b> <b>LCI LA-Basin Chapter, Santa Ana, CA</b> The meeting will feature an introduction to Lean Construction followed by a presentation by Will Lichtig on "Integrated Project Delivery (IPD™) Contracts". By drafting the Integrated Form of Agreement (IFOA) promoted by LCI and used in various projects throughout the U.S., Will Lichtig has been at the center of the development and application of the IFOA. He is uniquely qualified to speak to the issues and opportunities related to Integrated Project Delivery.
