

TABLE OF CONTENTS

TARGET VALUE DESIGN: INTRODUCTION, FRAMEWORK & CURRENT BENCHMARK

Foreword	5
Executive Summary	7
About the Authors	8
Figures and Tables.....	13
PART 1: What is Target Value Design?	15
1.1 Target Value Design’s Origin in Target Costing.....	15
1.2 Chronology of Use in the AEC Industry of Target Costing and Target Value Design	16
1.3 TVD Process Overview.....	19
1.4 How TVD Differs from Common Practice.....	22
1.5 Why Do TVD?.....	22
1.5.1 Using TVD in Pursuit of the Lean Ideal	22
1.5.2 Why do Buyers use TVD?	23
1.5.3 Why do Service Providers use TVD?.....	23
1.5.4 Sample Benefits of Using TVD	24
PART 2: Scope of this TVD Document	25

PART 3: How to do TVD?	27
3.1 Defining Owner Value	27
3.2 Project Definition	30
3.2.1 Business Planning	31
3.2.2 Business Plan Validation	32
3.2.3 Deciding whether or not to Fund a Project.....	33
3.2.4 Target Setting and Commercial Terms.....	34
3.3 Steering Design to Targets	34
3.3.1 Project Organization	35
3.3.2 Product and Process Development using Set-Based Design, Choosing by Advantages, and A3 Problem Solving.....	36
3.3.2.1 Set-Based Design (SBD)	36
3.3.2.2 Choosing By Advantages (CBA)	37
3.3.2.3 A3 Problem Solving.....	39
3.3.3 Culture and Teamwork.....	41
3.3.3.1 Information Sharing.....	41
3.3.3.2 Promoting the Culture of Collaboration & Innovation	43
3.3.3.2.1 Education.....	43
3.3.3.2.2 Visual Information	44
3.3.3.2.3 Leadership.....	44
3.3.3.2.4 Management Methods	44
3.3.3.3 Production Planning and Control.....	45
3.4 Steering Construction to Targets	46
PART 4: Getting Started	53
4.1 Current Benchmark for Target Value Design	53
4.2 Going beyond the Current Benchmark to Better Practice.....	56
Acknowledgments	59
