

# VIRTUAL LEAN IN DESIGN FORUM

EXPLORING EQUITY, DIVERSITY AND INCLUSION IN HIGH-PERFORMING TEAMS

MAY 27-28, 2020

**Strengthen the design community by embracing inclusion and empowering individuality. Join us from the safety of your home!  
The 2020 Design Forum will be 100% virtual.**

Collective skills and commitment play a huge role in the success of the design community. Learn from the best this May when you discover solutions and efficiencies made possible by strong equity, diversity and inclusion across the design community.

**Registration is now open!**

*"I always walk away from the Lean in Design Forum feeling inspired and this year will be no different. I'm looking forward to diving deeper into the role equity, diversity and inclusion plays in supporting high-performing teams and ensuring effective and efficient project outcomes."*

— Bernita Beikmann, Chief Process Officer, HKS, Inc.

## Featured 2020 Learning Round Tables Topics

**Exploring the Synergy between EDI, Lean and High Performing Teams**

**Building High Performing Teams**

**Using Lean Practices to Promote Equity, Inclusion and the Advancement of Women**

**Lean and Evidence-Based Design: Where to Begin**

**Additional Topics Include:** Conflicting Design Requirements, Trends in Computational Design, Learning Through Play, Fortify EDI through Leadership and Collaboration, Technology that Promotes Inclusiveness in Lean Design

Engage in interactive **Q&A sessions**, **Lean-focused training courses** and **expand your network** among Lean practitioners who support and enable collaboration, creativity and more efficient project delivery. While we may not meet in-person, the essential parts of the Design Forum program will be stronger than ever.
